DESCRIPTION:

The sure way to enhance this special moment is by viewing it from your own SUP! Our sunset SUP tour offers unobstructed views of different shades of purples, pink, reds and oranges painting the islands and most popular beaches in Split.

A stand-up paddle gives you the freedom to enjoy the beauty of the Adriatic sea at your own pace and rhythm.

It doesn't matter if you are a beginner or have experience as a paddler, with the help of the guides you will be gliding on the water and basking in the golden hours of sunset in no time.

You will receive a 15-minute land introduction. Your instructor will go over how to stand on the board, maintain balance, paddle, spin the board swiftly and fall securely.

At Marjan, you will learn about paddling techniques and the area's history! The guide will always be nearby to assist novices. When you are prepared, the instructor will take you on a sunset tour where you will have the opportunity to swim, snorkel and cliff jump in the crystal clear Adriatic Sea while watching the sunset.

Our guides will make sure you have amazing photos from the experience and your sunset in Split!

Minimum age of kids is 12 - they are welcomed, they just need to come along with an adult.
