DESCRIPTION:

Deep Water Solo is a rather new type of rock climbing in which every climb on a vertical or overhanging route starts and end from the sea.

Since Split, sea and climbing has been in a loving relationship for thousands of years - DWS is perfect activity to add to our list of tours.

Here in Split, we are proud to have access to one of the oldest DWS climbing areas, and that's exactly where we will take you and show you what it feels like to be on an adrenaline-filled adventure among high cliffs overlooking a sparkling crystal clear sea below!

Once we reach the climbing site you will get all the information about basic principles such as footwork and climbing techniques, before putting those lessons into practice in real-life conditions.

After the tour, you will receive custom pictures that will stay with you as a long-lasting reminder of your incredible time and wonderful day in Split!

Price includes: instructions, a licensed guide, insurance

Minimum age of guests is 12 years old - kids are always welcomed, they need to come along with an adult.

Important info: we do not recommend DWS tours to non-swimmers and people with back problems. The operator has the right to cancel tours without previous notice in bad weather conditions. All participants sign a written waiver form before the start of the tour.
