DESCRIPTION:

It's straightforward to learn and children absolutely love it just as much as adults.

Jump on your SUP board and explore Split from the sea and enjoy the view of many sights Split is famous for - from Marjan park, Bene and Kašuni beach to Tito's villa or amazing cliffs on the southern side of Marjan Hill!

A stand-up paddle gives you the freedom to enjoy the beauty of the Adriatic sea at your own pace and rhythm.

Together we will enjoy a day of paddling and explore some of the most beautiful beaches in Split while taking a break for swimming, snorkeling, taking a lot of photos and - for the adrenaline lovers - even some cliff jumping.

Kids are always welcome at tours, they just need to come along with an adult!

Price includes: SUP board, paddle, snorkel gear, life vest, security leash, licensed tour guide, education on safety and basics of paddling, waterproof bag, insurance

Important info: we do not recommend SUP tours to non-swimmers and people with back problems. The operator has the right to cancel tours without previous notice in bad weather conditions. All participants sign a written waiver before the start of the tour.
